

5 STEPS TO
Power Up
YOUR ONLINE VOCAL COACHING

DAY 1
CREATE A PROGRAM

CREATE A PROGRAM

Use Exercise from today to create your Private Coaching offer.

How many sessions will you need to teach the solution to this problem?

How much time does your client need in order to master what is being taught?

What kind of access do you want your client to be able to have to you?

continued

Will you offer anything in between sessions?

What additional bonuses do they get?

What do they need to have/what will you provide?
